

TOYOTA

LEAD THE WAY

RAV4

With the new RAV4, adventure is always around the corner - it's an SUV that truly makes room for life. Why wait for Friday when you could turn every day into a weekend? This is the SUV that makes you wake up and cheer, "Thank goodness it's Monday!"

MODEL SHOWN RAV4 2.5 VX AT AWD

MONDAY MORNING WAKE-UP CALL

The RAV4 is all about redefining urban spaces, igniting your lifestyle and letting your inner adventurer run wild every day. Whether it's a quick mountain bike ride before work, a lunch time jog through the park, honing your paddle board skills between meetings or taking a beach detour on the way home, the RAV4 will take you there. Mondays aren't about the grind anymore; they're about living your best life: family time, new hobbies, old hobbies, breaking a sweat, screaming "Woohoo!" or simply making more time for the things you love.

The RAV4 is a lifestyle, an attitude, and a desire for balance brought to life with sportier new front and rear exterior features in a bold, more masculine design that seriously looks, and plays, the part. And it comes with more standard features than ever before, for all your needs, whether you're conquering your modern life, or heading off the beaten track.

RAV4 RANGE: 2.0 GX 2WD, 2.0 GX CVT 2WD, 2.2 D GX AWD, 2.2 D VX AT AWD, 2.5 VX AT AWD

| M O N D A Y 5 . 3 0 A M |

MODEL SHOWN RAV4 2.5 VX AT AWD

LOAD UP THE BIKES!

From the sneaky suburban back route en route to the best bike trails, the RAV4 is created to find adventure whenever and wherever you are.

If you crave relaxing weekends away from it all, or simply want to celebrate your wild side every day at the parks, beaches, gyms or cycling tracks nearby, both the 2.0 GX and 2.0 GX CVT can take you there. These 2WD crossovers come with a whole lot of SUV attitude, ready to take on your fast-paced life.

If you're a city slicker with an adventurer's soul, you'll be shouting, "Thank goodness it's Tuesday!" in the 2.2 D GX, 2.2 D VX Auto or the 2.5 VX Auto. These accomplished AWD conquerors are made for the modern lifestyle; just as comfortable cruising the urban streets as they are exploring off the beaten track. No matter what day of the week, the RAV4 is the gateway to a new you, one who doesn't wait for the weekend to say, "Bring on adventure!"

2.0 litre petrol engine

Get the 2.0 litre RAV4 engine in either a 6-speed manual transmission or a Continuously Variable Transmission (CVT). This 2WD engine has 107kW of power at 6200 r/min with torque of 187Nm at 3600 r/min.

2.2 litre diesel engine

For more power, take the 2.2 litre diesel RAV4 with a 6-speed manual transmission or the 2.2 litre diesel automatic, which both utilise an AWD system. These engines have a powerful output of 110kW at 3600 r/min with torque of 340Nm at 2000 - 2800 r/min.

2.5 litre petrol engine

For the ultimate RAV4 experience, take the 2.5 litre petrol model. The transmission is a 6-speed automatic, AWD with 132kW of power at 6000 r/min and torque of 233Nm at 4100 r/min.

Whenever there's an opportunity, whatever the time or day, the RAV4 is the SUV that lets you pursue your passions, to get out and let your soul run free for a while.

MODEL SHOWN RAV4 2.5 VX AT AWD

TAKE CENTRE STAGE

The stylish new design starts at the front with a slicker, sportier upper and lower grille to create an athletic look, accentuated by a new front bumper and fiercer looking LED headlamps.

From the rear, the design gives the back door a clean, modern look, while the upgraded rear bumper and combination lamps play into the RAV4's fun side. To complete the look, the RAV4 also throws in a bit of colour on the wheels.

There's always time for more escapades when the sun goes down, and with state-of-the-art LED headlights and automatic headlamp levelling, you'll find your fun with maximum safety and visibility. Daytime Running Lights (DRL), standard on all models, further enhance visibility anytime of day, no matter where you're going. All RAV4 models also come standard with powerful front fog lamps designed for extreme conditions.

Finally, to round off the super stylish and smart exterior package, the RAV4 comes with sophisticated colour-coded, electric, heated and retractable* exterior mirrors as well as integrated side indicators and colour-coded door handles. *VX MODELS ONLY

THURSDAY 8:00 AM |

ANOTHER DAY AT THE OFFICE

Climbing into the new RAV4 is like entering your happy place, no matter what your day has in store for you. Whether it's planning your workday on your way to the office or making a quick escape from your desk, the RAV4 will get you there in comfort and style.

With a stylish touchscreen dashboard display including a radio, CD player and USB port, every weekday morning can feel like Saturday afternoon. Music is as easy as popping your favourite driving, chill-out or pre-workout mix into the USB port, or connecting to your phone via Bluetooth. Then, sit back, relax and let six quality speakers bring your favourite tracks to life.

VX owners have another hands-free system available: the smart entry system unlocks your car for you as you approach it and, once inside, the push-start system starts the engine without the use of a key.

Seating fabric and design is also premium: in the GX models, a distinctive high-quality fabric has been used, while the VX has a luxurious leather trim in a choice of beige or black.

MODEL SHOWN RAV4 2.5 VX AT AWD

THURSDAY 4:30 PM |

Thank goodness it's Thursday! And what better way to balance all of those meetings than by heading out of town for some paddle boarding or to let the dogs run free. Either way, the RAV4's safety features ensure you're always safe and in control.

MODEL SHOWN RAV4 2.5 VX AT AWD

A BALANCING ACT

For emergency situations, the Anti-lock Braking System (ABS) and the Electronic Brake-force Distribution (EBD) system will bring you to a safe stop when you need it. With the RAV4, there's never a bad time to go on an adventure, even on a rainy day. Vehicle-Stability Control (VSC) helps you keep traction on slippery surfaces by adjusting power and brake fluid to balance out individual tyres on up or down slopes, while Downhill-Assist Control (DAC)* automatically manages the brakes to provide controlled deceleration. You also don't need to worry about rolling back when you pull off from an incline - the smart Hill-Assist Control (HAC) secures the vehicle to ensure a neat, safe take off.

VX models go a step further in keeping you safe with Lane Change Assist (LCA) featuring a Blind Spot Monitor (BSM) and Rear Cross Traffic Alert (RCTA). The sophisticated BSM system is cleverly designed to detect and warn you if vehicles are present in the adjacent lanes. The RCTA works in conjunction with the BSM warning you of any hazards, while backing out of a parking spot.

All models also come standard with a handy reverse camera to improve your rear visibility without straining your neck. The VX models even have guidelines to assist you in parking. Additionally, four sensors on the rear bumper will alert you if you are nearing any obstacles. VX models come with sensors on the front bumper as well.

If you need to attach a trailer for your getaway gear, bikes or equipment, you can rest assured the RAV4's Trailer-Sway Control (TSC) will keep it in control. This smart system minimises movement that might happen due to cross winds, variations in the road surface or changes in steering.

All models are fitted with Follow-me-home, which keeps the headlights on just after the engine's been switched off to help you navigate your way to the front door. Whether you're parked in town or at the start of a hiking trail, your RAV4 is totally secure, with an alarm, immobiliser, remote central locking and a power door lock, ensuring it'll stay safe where you left it.

* VX MODELS ONLY

It's the last day of the work week but that doesn't mean it's any less fun. You'll be exclaiming, "Thank goodness it's Friday" thanks to all the good times to be had. Whether it's a quick getaway hike with the world at your feet or a sundowner picnic with friends, we're keeping it real seven days a week!

MODEL SHOWN RAV4 2.5 VX AT AWD

7-DAY WEEKEND

FRIDAY 5.30PM

It's the last day of the work week but that doesn't mean it's any less fun. You'll be exclaiming, "Thank goodness it's Friday" thanks to all the good times to be had. Whether it's a quick getaway hike with the world at your feet or a sundowner picnic with friends, we're keeping it real seven days a week!

7-DAY WEEKEND

MODEL SHOWN RAV4 2.5 VX AT AWD

SUSTAINABILITY

Toyota's vision of sustainable mobility is ingrained and honoured on all levels. The fuel-efficient engines of the RAV4 range help reduce CO₂ emissions and the carbon footprint of the vehicles. Plastics that are highly recyclable are used in the instrument panel, door trims and the majority of the interior and exterior components. The plastic components have also been uniquely designed so that they are easier to dismantle for recycling.

At Toyota, creating technologically advanced vehicles isn't our only priority; we're committed to lowering our environmental impact throughout our entire production process. How? By setting ourselves six challenges that will see us reach a truly world-changing goal: a positive environmental impact by 2050.

CO₂ 0 CHALLENGE 1
NEW VEHICLE ZERO CO₂ EMISSIONS CHALLENGE

By owning a Toyota, you will be contributing to our challenge to reduce vehicle CO₂ emissions by 90% in comparison to 2010 levels, by 2050. You will help us promote the development of next-generation vehicles and further accelerate the spread of these vehicles.

CO₂ 0 CHALLENGE 3
PLANT ZERO CO₂ EMISSIONS CHALLENGE

Our strategies to achieve zero CO₂ emissions at our plants are:
1) Developing and introducing low-CO₂ technologies with ongoing "Kaizen".
2) Adopting renewable energy sources and utilising hydrogen energy.

 CHALLENGE 5
CHALLENGE OF ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEM

We have been working for 40 years on our resource recycling challenge. We will continue working on the challenge of establishing a recycling-based society by rolling out the technology and systems evolved in Japan, to the world.

CO₂ 0 CHALLENGE 2
LIFE CYCLE ZERO CO₂ EMISSIONS CHALLENGE

Your purchase is lending a helping hand to Toyota's efforts to reduce to zero, not only CO₂ emissions produced in travelling and manufacturing, but all CO₂ emissions included in the process of materials production, disposal and recycling of vehicles.

 CHALLENGE 4
CHALLENGE OF MINIMISING AND OPTIMISING WATER USAGE

In automobile manufacturing, we use water in painting, forging and other processes. Therefore, even a small reduction of its impact on the water environment is important. We have two measures to achieve this. These are the comprehensive reduction of the amount of water used, and comprehensive water purification and returning it to the earth.

 CHALLENGE 6
CHALLENGE OF ESTABLISHING A FUTURE SOCIETY IN HARMONY WITH NATURE

At Toyota, we have engaged in planting trees at our plants and environmental conservation activities in our surrounding areas. We are also promoting several activities across regions and the world to establish a society where humans and nature coexist in harmony.

PW4170R00001 Front guard
The front guard with integrated chrome garnish gives your car a bold look and protects against stone chips. Cannot be fitted with nudge bar.

PZN62R3004A Towbar (detachable gooseneck)
Detachabele gooseneck towbar enables hassle-free towing (includes wiring harness). Available for CVT models

PZ49UX052100 Side moulding
Side mouldings provide an extra layer of protection, guarding against minor bumps and scrapes.

PW3880R008 Side Steps
Side steps enhance the rugged appeal of your car while making it easier for you to access the roof and roof rack.

Toyota vehicles are known for their Quality, Durability and Reliability. Keeping your Toyota Genuine means no compromises in terms of safety, performance and resale value. The range of Genuine Products and Approved Service will ensure complete peace of mind throughout the ownership journey and beyond. For more information on how to keep your Toyota genuine visit www.toyota.co.za/genuine

TOYOTA GENUINE PRODUCTS

For guaranteed fit and function, Genuine Parts are essential in maintaining the safety and reliability of your vehicle. **Genuine Parts** comply with all safety, regulatory and environmental requirements, making it the obvious choice. The same exacting precision applies to **Toyota Accessories**, developed by engineers with extensive knowledge on vehicle integration - you can enhance the appeal and functionality of your RAV4 without compromising its safety features or warranty. Warranties are about peace of mind, and the **Genuine Extended Warranty** is designed to provide superior cover (up to 6 years or 220 000 km) and a seamless claims process thanks to full integration with Toyota systems. The **Genuine Extended Service Plan** also enjoys exclusive approval by Toyota SA and provides flexible extension options up to 7 years or 200 000 km to suit your period of ownership. Paying today's rates for tomorrow's maintenance is a sensible way to protect the resale value of your RAV4 by means of a full service history.

TOYOTA APPROVED SERVICES

Specialised vehicle maintenance requires first-class facilities, advanced equipment and expert knowledge. **Toyota Quality Service** not only promises accurate diagnosis and repair, but also a philosophy of building trust through a genuine concern for the needs of our customers. To complement the extensive network of Toyota dealers, we have a vast number of **Accredited Body and Paint Repairers**, selected on stringent criteria to ensure outstanding workmanship and customer service. You can maintain your vehicle's pristine condition without compromising its warranty thanks to the exclusive use of Genuine Parts by our Accredited Repairers. Offering 24-hour access to a full complement of assistance and recovery benefits, **Toyota Roadside Assistance** provides the peace of mind that competent support is only a phone call away.

TOYOTA GENUINE MEANS

✓ UNCOMPROMISED SAFETY ✓ GUARANTEED QUALITY ✓ PEACE OF MIND

Download the **MyTOYOTA** App from the Google Play Store or the Apple iStore to receive the latest Toyota news, keep an eye on your vehicle's finance and book your vehicle for a service. You can also book a test drive or arrange roadside assistance, all on your phone.
