

**TOYOTA**

LEAD THE WAY

**FJ CRUISER**

*With over 60 years of  
Land Cruiser in its blood,  
the FJ takes the road  
very seriously.*

TOUGH

With its unique modern-retro styling, unapologetic attitude and power, the FJ Cruiser is as far from middle-of-the-road as you can get. This is not your typical, wanna-be-the-real-deal suburban SUV. The FJ Cruiser has real backbone that's born from real heritage – the indestructible Land Cruiser.

**COUP**

**DIE**

*the power of*  
***Independence***

A true revolution in motoring. The FJ is as powerful as it is tough, with its go-anywhere-do-anything attitude. The engine is a powerhouse that kicks out 200 kW of power at 5 600 r/min and 380 Nm of torque at 4 400 r/min. The FJ is not just strong but is also loaded with smart features: an Electronic Fuel Injection (EFI) system, Vehicle-Stability Control (VSC) helps ensure stability by automatically adjusting engine output and the braking force of each wheel to prevent oversteering and understeering on corners, Active Traction Control (A-TRAC) helps ensure excellent traction by controlling the brake pressure if the wheels slip when running off-road when in 4-wheel drive. Crawl Control reduces your input in off-road driving by controlling the accelerator and the brakes for you as the vehicle moves through the rough terrain so all you have to do is steer the vehicle. With a ground clearance of 245 mm, the highest in the Land Cruiser family, no matter how rough the road ahead, the FJ can tackle it.

*the Groundbreaker in you*

The exterior design has an unapologetic, bold extroverted look. The FJ has a wild side, a rogue in the city yet confident off-road. Modern yet retro, the FJ's unique styling demands a unique driver who's not afraid to break the rules.

The FJ's signature white roof makes a bold style statement that is complemented by rugged black bumpers and silver mirrors that are electrically adjustable. 17" alloy wheels and a full-size alloy spare wheel that is mounted on the rear door complete the look. The rear spoiler has an integrated brake light and side steps with covers are standard. The extra wide windscreen comes equipped with a 3-arm wiper system and there's a retractable rear window wiper that's housed on the hatch door. Another unique feature is that the rear privacy glass windows wrap around the back of the FJ to further add to its distinct style. What's even cooler is that the FJ has a double door.

Street cred. Check! The FJ's style isn't just skin-deep, the look outside is perfectly coordinated with the look inside – the interior colour panels match the exterior body colour. The overall impression is bold and confident.

With inner space that's big on technology with Bluetooth, USB and iPod inputs, you'll always be connected. The FJ delivers an exceptional acoustic experience with its 6-speaker audio system, including two ceiling-mounted speakers. And no matter how long or hard the road ahead, cruise control makes for smooth sailing. Add to that power steering and electrically-operated windows to make the trip that much easier. The back monitor that's integrated into the rear view mirror automatically switches on when the vehicle is in reverse – one less thing to stress about. Since the FJ is built for adventure, it is also as practical as it is sophisticated: smart storage spaces are ideal for small items and a rear seat that splits 60:40 with removable cushions make it easy for you to take large items on the road. And to keep you cool(er) on the road there's air conditioning, of course.

Not all bodyguards wear black and mirrored sunglasses. The FJ Cruiser not only has your back but has you covered from every angle. The Anti-lock Braking System (ABS) prevents wheels from locking. And just like a bodyguard, you'll also have 'eyes' at the back of your head with a back sonar and sensors that can detect objects behind you. For all of its might, the FJ is also family-friendly with ISO-FIX child restraint seat belts. Add to that the extra safety ammo of driver and front passenger, side and curtain shield airbags, power door lock and immobiliser, and you're good to go. Anywhere.

Being 'green' can be a challenge when you are one of the world's most respected go-anywhere-do-anything vehicles. With its 'means-business-take-no-prisoners' presence and power, it's understandable that it's hard to see that the FJ also aims to make peace with the environment. In line with Toyota's Environmental Plan – ECO-Project, the FJ has been designed to be as green as it can be. Here's what you have to understand to understand the FJ's green side: Toyota is committed to reducing the use of substances that contribute to global warming and uses recyclable materials wherever possible. The FJ uses an environmentally-friendly chrome-free substrate in the air conditioner evaporator and lead pollution is minimised by using aluminium in the heater core materials. The FJ also keeps recycling top of mind by using 100% polyester materials in the clean air filter that facilitates easy waste disposal and by using recyclable materials with excellent qualities (Thermo Plastic Olefin) throughout the interior and exterior of the vehicles. The FJ has a Euro Step 3 emissions rating. So while there's no doubt that the FJ is a mean machine, it is also as green a machine as a mean machine can be.

Toyota is serious about combating the problems associated with waste tyres in the country and has therefore taken up its producer responsibility as defined by the Waste Management Act of 2008. Waste Tyre Registration Number: TPREG0031GAU

The Toyota Environmental Challenge 2050 aims to go beyond the point of having a zero environmental impact as a corporation, and to achieve a net positive impact.

To do this, the company has put steady initiatives in place in order to realise sustainable development together with society. The environmental challenge for the year 2050 is made up of six sub-challenges:

- The New Vehicle Zero CO<sub>2</sub> Emissions Challenge: Reducing vehicle CO<sub>2</sub> emissions by 90 percent in comparison with 2010 levels, by 2050.
- Life Cycle Zero CO<sub>2</sub> Emissions Challenge: Reducing to zero not simply the CO<sub>2</sub> emissions produced in traveling and manufacturing, but all CO<sub>2</sub> emissions including in the processes of materials production, and disposal and recycling of vehicles.
- Plant Zero CO<sub>2</sub> Emissions Challenge: Achieving zero CO<sub>2</sub> emissions at plants through the improvement of manufacturing technology, and switching to different forms of energy.
- Challenge of Minimising and Optimising Water Usage: Achieving a comprehensive reduction in the amount of water used, and comprehensive water purification and returning it to the earth.
- Challenge of Establishing a Recycling-based Society and Systems: Improving resource efficiency toward an ideal resource-recycling based society.
- Challenge of Establishing a Future Society in Harmony with Nature: Establishing a society where humans and nature coexist in harmony.

*show some Respect*

Fuel consumption (ℓ/100 km)	11.6*	CO <sub>2</sub> emissions (g/km)	273*
-----------------------------	-------	----------------------------------	------

\*The fuel consumption and CO<sub>2</sub> values of your vehicle may vary from those measured. Driving behaviour, as well as other factors such as road conditions, traffic, vehicle conditions, installed equipment, load and number of passengers play a role in determining a vehicle's fuel consumption and CO<sub>2</sub> emissions.

# THE FULL STORY

Engine and drivetrain		4.0 V6 4x4 AT
Displacement (cm³)		3956
Cylinder configuration		6 cylinders, V-type
Maximum power (kW @ r/min)		200 @ 5600
Maximum torque (Nm @ r/min)		380 @ 4400
Valve mechanism		24-valve DOHC with dual VVT-i
Bore x stroke (mm)		94.0 x 95.0
Fuel system		EFI
Compression ratio		10.0 : 1
Pre-air cleaner		•
Exhaust emission control		EURO3 L/0BD
Transmission		5-speed AT
Rear differential		3.727 BD21B face hob
Auto disconnect differential		•
Differential lock		•
Front suspension		Double wishbone
Rear suspension		4-link with lateral rod
Towing hook: front x 2/rear x 1		•
Deck hook: floor x 4/side x 4		•
Service plan: 5 yrs/90 000 km		•
Warranty: 3 yrs/100 000 km		•
Wheels and tyres		
Front wheel brake		Disc 16"
Rear wheel brake		Disc 16"
Wheel cap		17" Alloy cap
Spare tyre		Ground alloy
Spare Wheel Cover		With back monitor integrated
Spare Wheel Carrier		Back door hub nut with lock
Body and styling		
Over fender		Black EC type
Side and rear step		•
Rear side glass		Privacy
Rear quarter glass		Privacy
Rear Glass		Privacy
Rear window defogger		•
Front grille		Black
Mud guards		•
Roof rack (mountings only)		•
Door outside handle		Colour
Rear door outside handle		Black
Headlamp		Wave reflector eco type
Headlamp levelling		Manual
Rear combination lamp		Bulb EC type
Front fog lamp		•
High mount stop lamp: in rear spoiler		•
Rear fog lamp		•
Outside rear-view mirror		Power, aluminium brush
Door scuff plate		With inner plate and outer tape
Interior, comfort and convenience		
Cruise control		•
Shift lever and knob		Urethane with metal colour
4WD transfer lever and knob		Styled metallic
Steering column		Head, swing, tilt
Power steering		•

Interior, comfort and convenience		4.0 V6 4x4 AT
Steering wheel		Leather with cruise control, audio and Bluetooth
Power window		•
Windshield wiper		Intermittent
Rear window wiper		•
Inside rear-view mirror		Electrochromatic, 3.3" monitor, mike and temperature
Floor carpet and mat		Rubber type
Cup holders		•
Glove box		•
Rear console box		•
Over-head console		With off road switch
Air conditioner		•
Clean air filter		Fine filter
Side defroster		•
Front seat		Bucket - driver: 8 way
Rear seat		With fold, left: 40/Right: 60 split
Seat back pocket		Driver and passenger net pocket
Accessory conector		Front: 12 V, 120 W and Rear: 12 V, 120 W x 2
Meter illumination control		•
Light remind warning		Auto cut
Audio		AM/FM, 1 CD and 6 speakers
Bluetooth		•
Audio jack		Aux and iPod-USB
Clearance and back sonar		Electrochromatic - back sonar 2-sensor
Back monitor		Within inner mirror
Safety and security		
ABS		•
Vehicle Stability Control		with Active Traction Control and Crawl Control
Anti-theft system:		Immobiliser
Power door lock		with driver switch
Wireless door lock		•
Child restraint system		Rear: 2 x ISO-FIX3 tether
Airbags		Driver, front passenger, side and curtain shield airbags
Dimensions and capacities		
Fuel Tank Capacity		72ℓ and 87ℓ sub tank
Overall length (mm)		4670
Overall width (mm)		1905
Overall height (unladen) (mm)		1830
Wheelbase (mm)		2690
Approach angle (degrees)		34
Departure angle (degrees)		31
Front tread (mm)		1605
Rear tread (mm)		1605
Min ground clearance (mm)		245
Front overhang (mm)		865
Rear overhang (mm)		1115
Luggage capacity (m³)		0.99
Curb weight (kg) (Max)		2045 - 2065
Gross combined mass (kg)		4010
Gross vehicle weight/mass (GVM) (Kg)		2510

Toyota vehicles are known for their Quality, Durability and Reliability. Keeping your Toyota Genuine means no compromises in terms of safety, performance and resale value. The range of Genuine Products and Approved Service will ensure complete peace of mind throughout the ownership journey and beyond. For more information on how to keep your Toyota genuine visit [www.toyota.co.za/genuine](http://www.toyota.co.za/genuine)

### TOYOTA GENUINE PRODUCTS

For guaranteed fit and function, Genuine Parts are essential in maintaining the safety and reliability of your vehicle. **Genuine Parts** comply with all safety, regulatory and environmental requirements, making it the obvious choice. The same exacting precision applies to **Toyota Accessories**, developed by engineers with extensive knowledge on vehicle integration - you can enhance the appeal and functionality of your Fortuner without compromising its safety features or warranty. Warranties are about peace of mind, and the **Genuine Extended Warranty** is designed to provide superior cover (up to 3 years or 100 000 km) and a seamless claims process thanks to full integration with Toyota systems. The **Genuine Extended Service Plan** also enjoys exclusive approval by Toyota SA and provides flexible extension options up to 7 years or 200 000 km to suit your period of ownership. Paying today's rates for tomorrow's maintenance is a sensible way to protect the resale value of your Fortuner by means of a full service history.

### TOYOTA APPROVED SERVICES

Specialised vehicle maintenance requires first-class facilities, advanced equipment and expert knowledge. **Toyota Quality Service** not only promises accurate diagnosis and repair, but also a philosophy of building trust through a genuine concern for the needs of our customers. To complement the extensive network of Toyota dealers, we have a vast number of **Accredited Body and Paint Repairers**, selected on stringent criteria to ensure outstanding workmanship and customer service. You can maintain your vehicle's pristine condition without compromising its warranty thanks to the exclusive use of Genuine Parts by our Accredited Repairers. Offering 24-hour access to a full complement of assistance and recovery benefits, **Toyota Roadside Assistance** provides the peace of mind that competent support is only a phone call away.

# TOYOTA GENUINE MEANS

✓ UNCOMPROMISED SAFETY    ✓ GUARANTEED QUALITY    ✓ PEACE OF MIND

Download the **MyTOYOTA** App from the Google Play Store or the Apple iStore to receive the latest Toyota news, keep an eye on your vehicle's finance and book your vehicle for a service. You can also book a test drive or arrange roadside assistance, all on your phone.
