

**TOYOTA**

LEAD THE WAY

**YARIS**

READY, SET  
REVEAL

The ultimate urban hatchback is here and it's unlike anything that has come before! The all-new Toyota Yaris; built with bold intention for the dynamic, the curious and the adventure-ready, has been revamped from the ground up, giving you bigger, way better and much more.

With a sleek, sporty exterior and a contemporary, spacious interior, this next-generation Yaris certainly looks the part against any urban backdrop. Boasting modern good looks and slick, increased performance, the all-new Yaris stands out from all the other hatches, making it the obvious choice for the South African millennial. Reliable, efficient, environmentally conscious and also super tech-savvy, the all-new Yaris is the ideal choice for South Africa's young and up-and-coming. Why not be bold? Own it.

# WOW AHEAD

## OVERTAKE AND GET AHEAD

Under the hood is an improved 1.5 litre engine, producing a remarkable 79 kW of power at 6000 r/min and delivering 140 Nm of torque at 4200 r/min. With the 1.5 litre petrol engine now standard across all models in the Yaris range, you can't help but get ahead - it's power you cannot afford to be without when tackling the urban playground.

## GRIPPING. ENGAGING. POWERFUL.

For the driving enthusiast, the all-new Toyota Yaris covers the basics, and a whole lot more. The 5-speed transmission\* delivers a smooth drive, enabling the all-new Toyota Yaris to achieve a top speed of 180km/h\* and what's more, the vehicle boasts a low combined fuel consumption of only 5.9 litres per 100km\*. Improved coil springs and shock absorbers also

enhance driving stability, putting Yaris drivers first in line, every time!

When it's less about speed and more about the journey, the Continuously Variable Transmission on the 1.5 Xs CVT model delivers smooth acceleration and reduces shift shock, which means no jolts or bumps.

Performance on the new generation Yaris is further enhanced by aero-stabilising fins that optimise airflow, and improved body rigidity is achieved from additional spot-welds. Whether you're after maximum urban zippiness or a cruise along the open road, the all-new Toyota Yaris delivers on performance. Every time.

MODEL SHOWN 1.5 Cross

### EXTRAORDINARY

When navigating any urban landscape, those driving the all-new Yaris will stand out. With dynamic race lines, 16" alloy wheels\* and an aerodynamic shark-fin antenna\*\*, the all-new Yaris gives the driver more than enough reason to get from A to B, and a whole lot further.

Chrome door handles, auto-retractable\* and colour-coded side mirrors; a chrome front grille\* and colour-coded rear bumpers certainly add even more style to the already modern, urban and chic new generation Yaris.

### ENLIGHTENED

When the sun goes down, form and function come together in a new light. Front and back lights have been redesigned: headlamps with integrated clearance lamps dominate the front grille, while the rear combination lamps have been re-engineered, resulting in a sleek and sophisticated exterior.

Drivers with a taste for all things extra

will love the all-new Yaris Cross and Sport models, which feature add-ons such as front and rear spoilers, that have been designed with the most discerning of urban explorers in mind.

### EXTRA EXTRA

The all-new Yaris now sports Daytime Running Lights (DRL)\*, and for drivers of the Sport model, projector headlights, LED rear lights, and fog lamps are standard, giving drivers even more reason to set the urban landscape alight. The Sport model also features side skirts and a stylish dark plated radiator grille, ensuring you're a stand-out on the road. The all-new Yaris Cross features bold exterior styling add-ons too, including over-fenders, side protective mouldings; front and rear spoilers, as well as roof rails. What isn't there to love about all things extra? For the bold among new generation Yaris drivers, the Yaris Cross is the model to take home and unleash on the road.

The next-generation Yaris is styled to match its drivers – cool, contemporary and ready for adventure.

It's all about more. More comfort, more efficiency, more ingenuity. The big news? The all-new Yaris comes standard with an audio system to beat all audio systems. Now there's even more reason for you to get behind the wheel and drive to the beat of your own tune. The audio system features Auto Plus Show\* for Android users, which mirrors the phone to the display screen, and for iOS users it has innovative and intuitive Apple Car Play\*. What's more, the system also has a touchscreen\* and comes with Bluetooth functionality, as well as a USB port for your convenience. Talking of convenience, the beautifully designed leather\* steering wheel has audio and telephone switches on it, making for an effortless and luxurious journey.

The built-in high-tech Sat nav\* with multi-information display is also a sought-after interior feature that drivers of the all-new Yaris will love. Sat nav\* audio plays through both phone and audio system and assures Yaris drivers will always know exactly where they are going.

But it's not just the tech in the all-new Yaris that has taken a leap forward. Sporting a larger cabin, improved 60:40 split back seat layout and a striking piano-black centre console, the look and feel of the interior is there to give the driver ultimate comfort, as well as select style. A top-class air conditioner is standard on all Yaris models (automatic on Sport) to

## THE INSIDE STORY

keep you cool, and for ultimate ease of access, smart-entry and an illuminated entry system have been built into the design.

We take pride in the fact that owners of the all-new Yaris will want to spend more time enjoying the drive. More drive requires more space – much more! We're not only talking additional leg room for both driver and passengers, but we're also talking additional space for more than just your travel essentials. We're talking big. With the boot space increased by 14%, the all-new Yaris gives you all the benefits of a sporty hatch, without compromising on space for your gear.

\*Xs, Cross and Sport models only.

## START WHEN YOU WANT TO

Safety is key. Always. The all-new Toyota Yaris comes with a speed-sensing door lock system which activates when the car starts and pulls off. What's more, with additional spot-welds included in the redesign we've enhanced body rigidity, giving you a solid and supported drive, whatever the destination.

With an anti-theft immobiliser built into the design, as well as follow-me-home lights, all round ELR seatbelts and an ISOFIX child restraint system, safety for new-generation Yaris drivers is fully taken care of. You'll never feel uneasy behind the wheel of the next-generation Yaris. We've reimagined the vehicle, as well as your safety.

## STOP WHEN YOU NEED TO

To truly enjoy the drive, you always need to be in full control. The all-new Toyota Yaris has been fitted with a

superior range of brake control systems to prevent accidents. When immediate braking is required, Electronic Brake-force Distribution (EBD) triggers Brake Assist (BA) and the Anti-lock Braking System (ABS) to bring the vehicle to a complete halt without compromising the safety of the driver or passengers. In the event of a collision, all models have driver and front passenger airbags, while the Sport model comes with additional SRS Side, curtain shield and knee airbags.

The new-generation Yaris is equipped with Hill Assist Control (HAC), which prevents the car from rolling when pulling off on a gradient, and Vehicle Stability Control (VSC) that prevents wheels from slipping sideways when cornering, or when a sudden change in steering is necessary.

Safety? No question! We've got you covered, in more ways than one. The all-new Yaris is an example of ultimate safety feature technologies coming together to demonstrate safety innovation at its finest.

START WHEN YOU WANT TO, STOP WHEN YOU NEED TO

## KEEPING IT GREEN

Toyota takes the plight of our environment as seriously as you do. We have embarked to honour the Toyota Environmental Challenge 2050, which aims to go beyond the point of having a zero environmental impact, and to achieve a net positive impact. To do this Toyota has put steady initiatives in place in order to realise sustainable development and is working together to do so with our consumers.

The environmental challenge for the year 2050 is made up of six sub-challenges:

- The New Vehicle Zero CO<sub>2</sub> Emissions Challenge: Reducing vehicle CO<sub>2</sub> emissions by 90 percent in comparison with 2010 levels, by 2050.
- Life Cycle Zero CO<sub>2</sub> Emissions Challenge: Reducing to zero not simply the CO<sub>2</sub> emissions produced in travelling and manufacturing, but all CO<sub>2</sub> emissions technologies in the processes of materials production, and disposal and recycling of vehicles.
- Plant Zero CO<sub>2</sub> Emissions Challenge: Achieving zero CO<sub>2</sub> emissions at plants through the improvement of manufacturing technology, and switching to different forms of energy.
- Challenge of Minimising and Optimising Water Usage: Achieving a comprehensive reduction in the amount of water used, and comprehensive water purification and returning it to the earth.
- Challenge of Establishing a Recycling-based Society and Systems: Improving resource efficiency towards an ideal resource-recycling based society.
- Challenge of Establishing a Future Society in Harmony with Nature: Establishing a society where humans and nature coexist in harmony.

The all-new Yaris is an environmentally conscious vehicle with a Euro 4 Engine, recyclable parts and an improved and lowered emissions output of 134g/km\*. When driving the all-new Yaris, you can rest assured that every kilometre has been accounted for.

Toyota vehicles are known for their Quality, Durability and Reliability. Keeping your Toyota Genuine means no compromises in terms of safety, performance and resale value. The range of Genuine Products and Approved Service will ensure complete peace of mind throughout the ownership journey and beyond. For more information on how to keep your Toyota genuine visit [www.toyota.co.za/genuine](http://www.toyota.co.za/genuine)

#### TOYOTA GENUINE PRODUCTS

For guaranteed fit and function, Genuine Parts are essential in maintaining the safety and reliability of your vehicle. **Genuine Parts** comply with all safety, regulatory and environmental requirements, making it the obvious choice. The same exacting precision applies to **Toyota Accessories**, developed by engineers with extensive knowledge on vehicle integration - you can enhance the appeal and functionality of your Yaris without compromising its safety features or warranty. Warranties are about peace of mind, and the **Genuine Unlimited Warranty** is designed to provide superior cover (up to 6 years or 8 years, unlimited mileage) and a seamless claims process thanks to full integration with Toyota systems. The **Genuine Extended Service Plan** also enjoys exclusive approval by Toyota SA and provides flexible extension options up to 7 years or 195 000 km to suit your period of ownership. Paying today's rates for tomorrow's maintenance is a sensible way to protect the resale value of your Yaris by means of a full service history.

#### TOYOTA APPROVED SERVICES

Specialised vehicle maintenance requires first-class facilities, advanced equipment and expert knowledge. **Toyota Quality Service** not only promises accurate diagnosis and repair, but also a philosophy of building trust through a genuine concern for the needs of our customers. To complement the extensive network of Toyota dealers, we have a vast number of **Accredited Body and Paint Repairers**, selected on stringent criteria to ensure outstanding workmanship and customer service. You can maintain your vehicle's pristine condition without compromising its warranty thanks to the exclusive use of Genuine Parts by our Accredited Repairers. Offering 24-hour access to a full complement of assistance and recovery benefits, **Toyota Roadside Assistance** provides the peace of mind that competent support is only a phone call away.

# TOYOTA GENUINE MEANS

✓ UNCOMPROMISED SAFETY ✓ GUARANTEED QUALITY ✓ PEACE OF MIND

Download the **MyTOYOTA** App from the Google Play Store or the Apple iStore to receive the latest Toyota news, keep an eye on your vehicle's finance and book your vehicle for a service. You can also book a test drive or arrange roadside assistance, all on your phone.
