# AURIS

## A CLEVER ADDITION

LIFE IS FULL OF DECISIONS - **LOOKS OR VALUE? SAFETY OR PERFORMANCE? ME OR THE ENVIRONMENT?** WELL, WITH THE AURIS, THE ONLY DECISION YOU NEED TO MAKE IS: WHAT COLOUR SHOULD I GET? WE'VE COMBINED EVERYTHING YOU NEED WITH EVERYTHING YOU WANT - **SAFETY, COMFORT, VALUE, BEAUTY, FUEL EFFICIENCY, TECHNOLOGY AND LOW EMISSIONS** - MAKING THE AURIS A CLEVER ADDITION TO YOUR LIFESTYLE. **THE AURIS ADDS PLEASURE AND PEACE OF MIND TO YOUR DRIVING EXPERIENCE** SO YOU CAN MAKE THE RIGHT MOVES BOTH ON AND OFF THE ROAD.

MODEL SHOWN\* AURIS X<sub>e</sub> (\*MODEL SHOWN INTERNATIONAL VEHICLE. SA SPECIFICATION MAY DIFFER.)

Driving the Auris is both effortless and exciting thanks to our Optimal Drive engines. The 1.3 engine delivers power of 73 kW @ 6000 r/min and torque of 128 @ 3800 r/min while the 1.6 models combine 97 kW @ 6400 r/min with torque of 160 @ 4400 r/min. And if you choose the Auris X<sub>R</sub> CVT, you can also enjoy our Continuously Variable Transmission (CVT), which makes going through gears easy and effortless. All of our other models also come with a full 6-speed manual transmission. Now that's a powerful reason to choose an Auris.

INTERIOR SHOWN: AURIS X<sub>R</sub> (\*MODEL SHOWN INTERNATIONAL VEHICLE, SA SPECIFICATION MAY DIFFER.)

Whoever said you can't have beauty and brains has never been inside an Auris. A sleek silver trim outlines the instrument panel and centre console, while X<sub>R</sub> models boast sport front seats with driver and front passenger heaters, as well as partial leather trim. Across all models, you'll find a tech-savvy Multi-Information Display (MID) that shows the time, elapsed driving time, trip fuel consumption, distance to empty, average speed and outside temperature.

Air conditioning is standard in all models, and the X<sub>R</sub> models have an automatic air conditioner with separate controls for the driver and front passenger. The X<sub>S</sub> and X<sub>R</sub> models also have a 7" electrostatic display audio with a DVD player and six speakers, while the X and X<sub>i</sub> models have a radio/CD player with four speakers. All models also come with an audio jack, a USB port and Bluetooth connectivity.

The X<sub>R</sub> models also boast clever additions such as cruise control, Smart Entry and Push Start System, a back monitor (also standard on the X<sub>S</sub> model) and an electrochromatic interior review mirror that automatically dims the brightness of the lights of the vehicles behind you. Now that's a bright idea!

# EASE AND EFFICIENCY

# TECHNOLOGY

# AND COMFORT

# ELEGANCE

# AND ATTITUDE

A smart design in more ways than one, the Auris combines dynamic design with bold details. At the front, you'll notice a more aggressive-looking grille and sidelines that run sinuously along the whole vehicle, while the X<sub>S</sub> and X<sub>R</sub> models come with front fog lamps. Towards the back, you'll see a robust rear rounded off with sporty-styled tail lights. The X<sub>i</sub>, X<sub>S</sub>, X<sub>R</sub> and X<sub>R</sub> CVT models also come with stylish 16" alloy wheels.

To further enhance its striking appearance, we've colour-coded the door handles and front and rear bumpers on all models and put privacy glass on the rear side mirrors of the X<sub>S</sub> and X<sub>R</sub> models. And as a little something extra on the sides, all models come with electronically-adjustable exterior mirrors with integrated side indicators.

MODEL SHOWN: AURIS X<sub>R</sub> (\*MODEL SHOWN INTERNATIONAL VEHICLE, SA SPECIFICATION MAY DIFFER.)

# SAFETY

## AND SECURITY

If you're looking for ultimate peace of mind, the Auris is your solution. We've taken care of everything from the braking system (Anti-lock Braking System, Brake Assist System and Electronic Brake-force Distribution) to driver, front passenger and side airbags. The X<sub>P</sub> models have additional curtain shield and driver knee airbags. For security, there is a transponder key immobiliser and alarm.

Braking it down:

**The Anti-lock Braking System (ABS)** prevents the wheels from locking up and helps the driver retain control when the brakes are pressed in an emergency stop.

**Brake Assist System (BAS)** activates at the same time as the ABS. BAS ensures that the correct brake force is applied to bring the vehicle to a safe stop.

**Electronic Brake-force Distribution (EBD)** ensures an even stop by sensing the weight distribution across the wheels and then applying the needed brake for each individual wheel.

# YOU

We've added a lot to the Auris to make it a clever addition to the Toyota family, but we've also subtracted something - its effect on the environment.

Toyota's vision of sustainable mobility is ingrained and honoured at all levels. The introduction of a company-wide Environmental Management System (EMS) ensures this.

EMS guarantees constant progress at Toyota worldwide, as it not only allows for efforts such as measuring the environmental impact of our vehicles over entire life cycles but has also driven the radical reduction of the environmental impact at our manufacturing plant and along our entire supply chain. Any current negative impact is being addressed through the comprehensive Toyota Environmental Action Plan, known as ECO-Project. This encompasses all areas of Toyota's operations, from the design of new vehicles and manufacturing processes to the use of materials and end-of-life recycling programmes. Thanks to a philosophy of continuous improvement and the quest for zero emissions, Toyota's new generation engines are cleaner-burning than ever before with dramatically reduced exhaust emissions. Toyota is serious about combating the problems associated with waste tyres in the country and has therefore taken up its producer responsibility as defined by the Waste Management Act of 2008. Waste Tyre Registration Number: TPREG0031GAU

## AND THE ENVIRONMENT

MODEL	AURIS X	AURIS X <sub>i</sub>	AURIS X <sub>s</sub>	AURIS X <sub>e</sub>	AURIS X <sub>e</sub> CVT
Fuel consumption (Combined Cycle)(l/100km)*	5.8	6.2	6.2	6.2	6.0
CO <sub>2</sub> emissions (g/km)*	134	145	145	145	139

\*The fuel consumption and CO<sub>2</sub> values of your vehicle may vary from those measured. Driving behaviour as well as other factors (such as road conditions, traffic, number of passengers) play a role in determining a vehicle's fuel consumption and CO<sub>2</sub> emissions.

# ACCESSORIES

Part Number	Item	Description
PZN58A0017	Boot mat	High-quality boot mat that is dust absorbent, stain proof and fire resistant. Protects your vehicle's original load-area carpet.
PZN52A4011	Towbar – detachable gooseneck	Designed especially for the Auris to give you a dependable, safe towing capability. Includes wiring harness.
PZN53A0013	Auris bonnet guard – dark smoke	Easily-fitted acrylic bonnet guard. Protects the bonnet from stone chips.
PZN81A0014	Auris headlamp guard – clear	Protects your valuable headlamps from shattering, sandblasting, fading or breaking.
5300802010	Mudflaps (set)	The design minimises water, mud and stones spraying onto your car's body. Available as a set.
PZ49UE252000	Bumper corner protectors	Ideally located at the front and rear bumper corners to protect against accidental scrapes.
PZN75A0020	Rear chrome garnish	Highlight your car's distinctive rear-end design.
PZ49UE9491ZB	Side sills – chrome	A dash of chrome, skilfully integrated along the side panels.

Part Number	Item	Description
PZN75A0021	Scuff plates – carbon-fibre look	The carbon-fibre look scuff plate introduces a compelling detail to your car's interior.
PZ403E2613GA	Roof rack	A Toyota roof rack gives you enormous flexibility for enjoying all that life has to offer. You can load up and still have plenty of room for the family.
GTA71X2001	Tablet holder – black	The Universal Tablet Holder provides a secure and safe docking system with its self-securing mechanism for any Smart phone, Tablet or E-Reader. To be ordered in conjunction with the Docking System (GTA71X2000)
PZN55X3035	Toyota safety film kit (100 microns)	Quality safety film available in clear, 50% or 35% variants. Reinforces the glass and keeps shattered glass in place in the event of an accident.
PZN55X3036	Toyota safety film kit (150 microns)	
82169SA	Wheel lock nuts (alloy)	Set of wheel nuts with a unique coded key. Provides added security at a low cost for your valuable wheels and tyres.
85957SA	Wheel lock nuts (steel)	Set of wheel nuts with a unique coded key. Provides added security at a low cost for your valuable wheels and tyres.

For more information about Genuine Accessories, please consult your Authorised Toyota Dealership or [www.toyota.co.za](http://www.toyota.co.za). Accessories featured in this brochure are sold seperately and are subject to change without notification.

# QUIET AND SUBLIME

The inner sanctum of the vehicle is quiet and sublime. The model has a touchscreen display audio, Bluetooth and MID steering wheel switches as well as Smart Entry and Push Start systems. The model is well equipped with the following: automatic air conditioner, a reverse camera, rain-sensing wipers, electrochromatic interior rear-view mirror, an audio jack, a USB Port, cruise control, front seat heaters, separate temperature controls for driver and front passenger, driver's seat lumbar support and Park Distance Control.

The Auris Hybrid model sports a panoramic sunroof, has daytime running lights, Bi-LED headlamps, front and rear fog lamps and 17" alloy wheels for a smooth drive.

# SAFE AND SECURE

For efficient braking, the Auris Hybrid is equipped with an Anti-lock Braking System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist System (BAS) and Vehicle Stability Control (VSC). The model contains driver, front passenger, side, curtain shield and driver knee airbags. Security features include a Smart Entry System, remote control central locking, and a transponder key immobiliser.

MODEL SHOWN: AURIS HYBRID (\*MODEL SHOWN INTERNATIONAL VEHICLE, SA SPECIFICATION MAY DIFFER)

# INTELLIGENT AND CONSIDERATE

THE AURIS HYBRID, ADVANCED AND UNCOMPROMISING, BOASTS A SLEEK MASCULINE DESIGN AND LEADING HYBRID TECHNOLOGY, WHILE KEEPING THE ENVIRONMENT ITS NUMBER ONE PRIORITY.

Hybrid is a system that can provide drive power from the petrol engine, the electric motor, or both. The Auris Hybrid has three drive modes: **ECO**, **EV (Electric Vehicle)** and **power drive mode**. **ECO drive mode:** By reducing the function of the air conditioner, you opt for the most fuel efficient driving modes. **EV (Electric Vehicle) drive mode:** The quietest drive with only the electric motor purring in the background. **Power drive mode:** The most responsive, ideal when driving up hills or on mountainous roads.

On the road, the 1.8 litre petrol engine offers power of 73 kW @ 5200 r/min and torque of 142 @ 4000 r/min. The electric motor offers power of 60 kW and torque of 207 Nm.

Toyota vehicles are known for their Quality, Durability and Reliability. Keeping your Toyota Genuine means no compromises in terms of safety, performance and resale value. The range of Genuine Products and Approved Service will ensure complete peace of mind throughout the ownership journey and beyond. For more information on HOW TO KEEP YOUR TOYOTA GENUINE visit. [www.toyota.co.za/genuine](http://www.toyota.co.za/genuine).

### Toyota Genuine Products

For guaranteed fit and function, Genuine Parts are essential in maintaining the safety and reliability of your vehicle. **Genuine Parts** comply with all safety, regulatory and environmental requirements, making it the obvious choice. The same exacting precision applies to **Toyota Accessories**, developed by engineers with extensive knowledge on vehicle integration - you can enhance the appeal and functionality of your Auris without compromising its safety features or warranty. Warranties are about peace of mind, and the **Genuine Extended Warranty** is designed to provide superior cover (up to 6 years or 220 000 km) and a seamless claims process thanks to full integration with Toyota systems. The **Genuine Extended Service Plan** also enjoys exclusive approval by Toyota SA and provides flexible extension options up to 7 years or 195 000 km to suit your period of ownership. Paying today's rates for tomorrow's maintenance is a sensible way to protect the resale value of your Auris by means of a full service history.

### Toyota Approved Services

Specialised vehicle maintenance requires first-class facilities, advanced equipment and expert knowledge. **Toyota Quality Service** not only promises accurate diagnosis and repair, but also a philosophy of building trust through a genuine concern for the needs of our customers. To complement the extensive network of Toyota dealers, we have a vast number of **Accredited Body and Paint Repairers**, selected on stringent criteria to ensure outstanding workmanship and customer service. You can maintain your vehicle's pristine condition without compromising it's warranty thanks to the exclusive use of Genuine Parts by our Accredited Repairers. Offering 24-hour access to a full complement of assistance and recovery benefits, **Toyota Roadside Assistance** provides the peace of mind that competent support is only a phone call away.

# TOYOTA GENUINE MEANS

- UNCOMPROMISED SAFETY
- GUARANTEED QUALITY
- PEACE OF MIND

Download the **MyToyota** App from the Google Play Store or the Apple iStore to receive the latest Toyota news, keep an eye on your vehicle's finance and book your vehicle for a service. You can also book a test drive or arrange roadside assistance, all on your phone.
